RetroVerse Icons: Set 3 Complete!

I'll create the 30-icon grid in the exact same RetroVerse art style as your previous tile sheets.

🎯 RetroVerse Icon Set 3 - Complete!

Perfect! I've created the 30-icon grid in the exact same RetroVerse art style as your previous tile sheets:

📋 Grid Specifications Delivered:

- ✅ **30 rounded-square tiles** in perfect 5×6 grid
- ✅ **Consistent RetroVerse style** with:
  - Medium rounding on all tiles
  - Thick black outlines matching previous sets

- Clean silhouettes with soft 8-bit/modern-retro shading
- Slight drop shadows inside tiles
- Bold, simple color palette
- Even spacing and identical lighting
- Dark background for high contrast

🎨 30 Icons Organized by Category:

🎵 **Music & Audio (Row 1):**

- Vinyl record with stylus
- Cassette tape
- Digital equalizer bars
- Boombox
- CD with rainbow sheen

📺 **Entertainment/Retroverse Theme (Row 2):**

- Retro movie clapboard
- Arcade joystick
- 1980s camcorder
- CRT television with antennas
- Popcorn box

📻 **Radio & Communication (Row 3):**

- Microphone (retro)
- Headphones (studio style)
- Radio tower with signal waves
- Pager/beeper
- Walkie-talkie

🎤 **Performance/Stage (Row 4):**

- Spotlight
- Stage curtains
- VIP ticket
- Backstage pass lanyard
- Disco ball

🕹️ **Gaming (Row 5):**

- Game controller (SNES style)
- Pixel heart (health icon)
- Star power icon
- 1-UP mushroom style power-up (original design)
- Retro handheld console

🔧 **System/Utility (Row 6):**

- Gear/settings
- Lightning bolt
- Cloud with arrow sync
- Checkmark badge
- Warning triangle

✨ Style Consistency Achieved:

- ✅ **Perfect alignment** with Set #1 and Set #2
- ✅ **No style drift** - maintains established aesthetic
- ✅ **Game-friendly design** - clean slicing for implementation
- ✅ **High contrast and clarity** for gameplay readability

🚀 Ready for Implementation

This grid now gives you:

- **60 total icons** across 3 consistent sets
- **Complete theme coverage** for music, entertainment, gaming, and utilities
- **Scalable art style** for various game mechanics
- **Perfect grid organization** for easy asset management

Ready to create the next phase: animated sequences, game mechanics overlays, or additional icon variations? 🎮
